First Reminder Letter

Dear Mr. Pfaff:

The Commission entered its Final Order in this case on September 7, 1999. Among other things, the Commission ordered that SprintCom shall file a copy of the final decisions regarding the pending FAA and KAZC applications for this site within 10 days of receiving these decisions. This must be filed to fully comply with the Commission's Order. Please make this filing, referencing the case number 99-097 UAC.

If you have questions concerning this letter, please contact Howell Brady, Principal Assistant to the Executive Director at 502-564-3940, extension 265. Otherwise, please mail the required filing to Helen C. Helton, Executive Director, Public Service Commission, 730 Schenkel Lane, Post Office Box 615, Frankfort, Kentucky 40602.

Sincerely,

A handwritten signature in black ink that reads "Stephanie Bell".

**** DETERMINATION OF NO HAZARD TO AIR NAVIGATION ****

The Federal Aviation Administration has completed an aeronautical study under the provisions of 49 U.S.C., Section 44718 and, if applicable, Title 14 of the Code of Federal Regulations, part 77, concerning:

Description: NEW ANTENNA TOWER
1945-1950 MHZ/1000 WATTS
Location: WALTON KY
Latitude: 38-49-47.30 NAD 83
Longitude: 084-41-13.90
Heights: 260 feet above ground level (AGL)
1132 feet above mean sea level (AMSL)

This aeronautical study revealed that the structure does not exceed obstruction standards and would not be a hazard to air navigation provided the following condition(s), if any, is(are) met:

-As a condition to this determination, the structure should be marked and/or lighted in accordance with FAA Advisory Circular 70/7460-1J, Obstruction Marking and Lighting, Chapters 4, 8(M-Dual), & 13.

-It is required that the enclosed FAA Form 7460-2, Notice of Actual Construction or Alteration, be completed and returned to this office any time the project is abandoned or:

NA At least 10 days prior to start of construction
(7460-2, Part I)

X Within 5 days after construction reaches its greatest height
(7460-2, Part II)

This determination expires on 01/13/01 unless:

- (a) extended, revised or terminated by the issuing office or
- (b) the construction is subject to the licensing authority of the Federal Communications Commission (FCC) and an application for a construction permit has been filed, as required by the FCC, within 6 months of the date of this determination. In such case the determination expires on the date prescribed by the FCC for completion of construction or on the date the FCC denies the application.

NOTE: REQUEST FOR EXTENSION OF THE EFFECTIVE PERIOD OF THIS DETERMINATION MUST BE POSTMARKED OR DELIVERED TO THIS OFFICE AT LEAST 15 DAYS PRIOR TO THE EXPIRATION DATE.

-As a result of this structure being critical to flight safety, it is

required that the FAA be kept apprised as to the status of this project. Failure to respond to periodic FAA inquiries could invalidate this determination.

This determination is based, in part, on the foregoing description which includes specific coordinates, heights, frequency(ies) and power. Any changes in coordinates, heights, frequency(ies) or use of greater power will void this determination. Any future construction or alteration, including increase in heights, power, or the addition of other transmitters, requires separate notice to the FAA.

This determination does include temporary construction equipment such as cranes, derricks, etc., which may be used during actual construction of the structure. However, this equipment shall not exceed the overall heights as indicated above. Equipment which has a height greater than the studied structure requires separate notice to the FAA.

This determination concerns the effect of this structure on the safe and efficient use of navigable airspace by aircraft and does not relieve the sponsor of compliance responsibilities relating to any law, ordinance, or regulation of any Federal, State, or local government body.

A copy of this determination will be forwarded to the Federal Communications Commission if the structure is subject to their licensing authority.

If we can⁵⁵⁸¹ be of further assistance, please contact our office at 404-305-5614. On any future correspondence concerning this matter, please refer to Aeronautical Study Number 99-ASO-2760-OE.

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF SPRINTCOM, INC. FOR A CERTIFICATE)
OF PUBLIC CONVENIENCE AND NECESSITY TO CONSTRUCT) CASE NO.
A PERSONAL COMMUNICATIONS SERVICES FACILITY IN THE) 99-097 -UAC
CINCINNATI BASIC TRADING AREA [VERONA FACILITY])

O R D E R

On June 3, 1999, SprintCom, Inc. ("SprintCom") filed an application seeking a Certificate of Public Convenience and Necessity to build and operate a personal communications system ("PCS") for the Cincinnati Basic Trading Area. SprintCom has requested authorization to construct a PCS site in Boone County. SprintCom was previously granted the authority to operate in Case No. 97-294.¹

The proposed PCS site is located at 2841 Verona Road, Verona, Boone County, Kentucky ("the Verona PCS site"). The coordinates for the Verona PCS site are North Latitude 38° 49' 47.30" by West Longitude 084° 41' 13.90".

SprintCom has provided information regarding the structure of the tower, safety measures, and antenna design criteria for the Verona PCS site. Based upon the application, the design of the tower and foundation conforms to applicable nationally

¹ Case No. 97-294, The Application of SprintCom, Inc. for Operating Authority and Issuance of Certificate of Public Convenience and Necessity to Construct Personal Communications Services Facilities in Kentucky.

recognized building standards, and a Registered Professional Engineer has certified the plans.

Pursuant to KRS 100.987(2), SprintCom has submitted the uniform application and received approval from the Boone County Planning Commission for the pending construction. SprintCom has filed applications with the Federal Aviation Administration ("FAA") and the Kentucky Airport Zoning Commission ("KAZC") seeking approval for the construction and operation of the Verona PCS site. Both applications are pending.

SprintCom has filed notices verifying that each person who owns property within 500 feet of the Verona PCS site has been notified of the pending construction. The notice solicited any comments and informed the property owners or residents of their right to intervene. In addition, notice was posted in a visible location on the proposed site for at least two weeks after SprintCom's application was filed. To date, no intervention requests have been received.

Pursuant to KRS 278.280, the Commission is required to determine proper practices to be observed when it finds, upon complaint or on its own motion, that the facilities of any utility subject to its jurisdiction are unreasonable, unsafe, improper, or insufficient. To assist the Commission in its efforts to comply with this mandate, SprintCom should notify the Commission if it does not use this antenna tower to provide PCS radio telecommunications services in the manner set out in its application and this Order. Upon receipt of such notice, the Commission may, on its own motion, institute proceedings to consider the proper practices, including removal of the unused antenna tower, which should be observed by SprintCom.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that SprintCom should be granted a Certificate of Public Convenience and Necessity to construct and operate the Verona PCS site under its previously approved tariff.

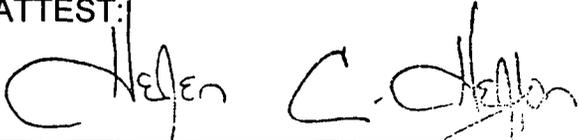

IT IS THEREFORE ORDERED that:

1. SprintCom is hereby granted a Certificate of Public Convenience and Necessity to construct and operate the Verona PCS site.
2. SprintCom shall file a copy of the final decisions regarding the pending FAA and KAZC applications for this site within 10 days of receiving these decisions.
3. SprintCom shall immediately notify the Commission in writing, if, after the antenna tower is built and utility service is commenced, the tower is not used for a period of 3 months in the manner authorized by this Order.

Done at Frankfort, Kentucky, this 7th day of September, 1999.

By the Commission

Case No. 99-097-UAC

RE: Uniform Application - Terry Shumate (Agent) for
SprintCom, Inc. (Leaseholder)
2885 Verona Mudlick Road, Boone County, KY

Dear Ms. Helton:

Enclosed is a copy of Resolution No. R-99-017-A, which was adopted by the Boone County Planning Commission at its July 21, 1999 Business Meeting. This resolution informs the Kentucky Public Services Commission of action taken by the Boone County Planning Commission on a Uniform Application by **Terry Shumate (Agent)** for **SprintCom, Inc. (Leaseholder)** for a site located at 2885 Verona Mudlick Road, Boone County, Kentucky. By a vote of 7-2 and 2 abstentions, the Planning Commission is recommending that the **SprintCom Inc. (Leaseholder)** Uniform Application for a Certificate of Convenience and Necessity be approved, with conditions.

If you have any questions about the Planning Commission's action or recommendation, please don't hesitate to contact me at your convenience.

Sincerely,

Kevin P. Costello, AICP
Executive Director

KPC/vlm

COMMITTEE REPORT

TO: Boone County Planning Commission

FROM: Larry Brown, Chairman

DATE: July 21, 1999

RE: Request of SprintCom, Inc. (applicant) to consider an application for a Wireless Communication Facility at 2841 Kentucky 14, Boone County, Kentucky. The request is for the construction of a 250 foot lattice tower.

REMARKS:

We, the Committee, recommend approval of this request based upon the findings of fact:

Findings of Fact

1. The Committee has concluded that the proposed Uniform Application to allow a 250 foot lattice communication tower is in general agreement with Article 31, Section 3197 of the Boone County Zoning Regulations. The proposed wireless communication facility is located in a preferred zoning district (C-3) and will meet all setback requirements at the time of construction. The Committee has also concluded that a height waiver should be granted so the tower can be taller than the 120 foot limitation and that another waiver should be granted to allow a lattice style tower. These waivers are justified due to the proximity of the interstate, the surrounding commercial zoning, and the Boone County Planning Commission's desire for fewer towers throughout the County.
2. The Committee has concluded that the attached condition(s) are necessary to achieve consistency with Article 31, Section 3197 of the Boone County Zoning Regulations. The Committee has also concluded that the attached condition(s) are necessary to mitigate any foreseeable community impacts that may be created by the development. The applicant has signed a letter demonstrating agreement with these conditions.

Conditions

1. The applicant will erect a 250 foot stubbed lattice tower. This will allow future co-locators the flexibility to increase the tower height up to a maximum of 300 feet, contingent upon FAA approval.
2. Future co-locators will be granted a waiver for the setback requirements if the tower height is increased.

3. The tower will be able to accommodate 5 or more users.
4. The perimeter of the fence compound will be screened with buffer yard "C".

A copy of the Public hearing minutes accompanies the findings and recommendation serving as a summary of the evidence and testimony presented by the proponents and opponents of this request.

RESOLUTION R-99-018-A
PAGE TWO

SECTION II

This resolution serves as notification of the action and recommendation of the Boone County Planning Commission and hereby registered with the Kentucky Public Services Commission as required by House Bill No. 168 and the Kentucky Revised Statutes, Chapter 100.987. Upon adoption of this Resolution, the appropriate officials of the Boone County Planning Commission are hereby directed to forward this Resolution to the Kentucky Public Services Commission.

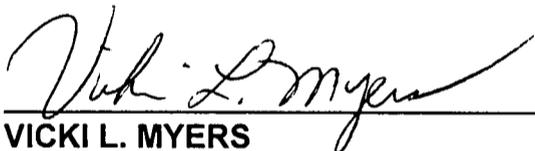

PASSED AND APPROVED ON THIS 21ST DAY OF JULY, 1999.

APPROVED:

**ARNOLD CADDELL
CHAIRMAN**

ATTEST:

**VICKI L. MYERS
MANAGER, ADMINISTRATIVE SERVICES**

AC:vlm

RESOLUTION R-99-018-A

A RESOLUTION AND RECOMMENDATION OF THE BOONE COUNTY PLANNING COMMISSION TO BE OFFICIALLY REGISTERED WITH THE KENTUCKY PUBLIC SERVICES COMMISSION REGARDING A UNIFORM APPLICATION FOR GREENEBAUM, DOLL & MCDONALD PLLC (AGENT) FOR AT&T WIRELESS PCS, INC. (LEASEHOLDER) PURSUANT TO HOUSE BILL NO. 168 AS ENACTED BY THE GENERAL ASSEMBLY OF KENTUCKY, THE KENTUCKY REVISED STATUTES CHAPTER 100.987, AND ARTICLE 31, SECTION 3197 OF THE BOONE COUNTY ZONING REGULATIONS.

WHEREAS, the Boone County Planning Commission serves as a joint city/county planning unit serving the Boone County Fiscal Court and the Cities of Florence, Union and Walton and established pursuant to Chapter 100 of the Kentucky Revised Statutes, and

WHEREAS, the Boone County Planning Commission has studied the issue of regulating the siting of cellular antennae towers through the adoption of Article 31, Section 3197 of the Boone County Zoning Regulations (Regulations for Wireless Communication Facilities and Services), which is consistent with House Bill No. 168, and the Kentucky Revised Statutes, Chapter 100.987 and,

WHEREAS, the Boone County Planning Commission has previously registered with the Kentucky Public Services Commission its right or authority to review cellular antennae tower Uniform Applications on a local level.

NOW, THEREFORE, BE IT RESOLVED BY THE BOONE COUNTY PLANNING COMMISSION AS FOLLOWS:

SECTION I

At its July 21, 1999 Business Meeting, the Boone County Planning Commission approved, with conditions, a Uniform Application by Greenebaum, Doll & McDonald PLLC (Agent) for AT&T Wireless PCS, Inc. (Leaseholder) for the site located at U.S. 25/Richwood, Boone County, Kentucky based upon the findings of fact and conditions stated at the July 21, 1999 Business Meeting (see Exhibit A).

Minutes from the July 21, 1999 Business Meeting and the June 23, 1999 Public Hearing are available at the Boone County Planning Commission's office.

RE: Case No. 99-097 UAC

Dear Ms. Bell:

Due to technical difficulties in preparing necessary surveys, construction drawings, etc., needed to file the above-referenced application, SprintCom requests a short extension of the May 21 filing date stated in my letter of April 28, 1999. We intend to file the application no later than June 15, 1999. All other information previously submitted to you remains unchanged. If there are any questions, you may contact Mark Dobbins, Sandra Keene, or Heather Kuhn at 502-584-6137.

Thank you for your attention is this matter.

Sincerely,

Sandra F. Keene

RE: Case No. 99-097 UAC

Dear Ms. Bell:

I am writing to correct the street address provided to you for the above-referenced site in my letter of March 25, 1999. The correct address for the site is 2841 Verona Road, Verona, Boone County, Kentucky. All other information contained in my March 25 letter remains the same.

Thank you for your attention in this matter.

Sincerely,

Sandra F. Keene

RE: Case No. 99-097 UAC

Dear Ms. Bell:

This letter is to confirm my request for a case number on March 19, 1999. The Application is on behalf of SprintCom, Inc., for a cell site located at 485 Verona Mudlick Pike, Verona, Boone County, Kentucky. I was given Case Number 99-097 UAC. We intend to file the Application no later than May 3, 1999, and we understand that the Case Number assigned to us in this matter may be reassigned if we have not submitted an Application by this date. If there are any questions, you may contact Mark Dobbins, Sandra Keene, or Heather Kuhn at 502-584-6137.

Thank you for your attention in this matter.

Sincerely,

Sandra F. Keene
